

Nondiscrimination Statement of Policy

Under Title VI of the Civil Rights Act of 1964 and related statutes, Seward County ensures that no person shall, on the grounds of race, color, religion, national origin, age, disability, sex, or income be excluded from participation in, denied the benefits or services of, or be otherwise subjected to discrimination in all programs, services or activities administered by Seward County.

Seward County will ensure that no qualified disabled individual shall, solely on the basis of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any of its programs, services, or activities as provided by Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA). Seward County further ensures that every effort will be made to provide nondiscrimination in all of its programs or activities regardless of the funding source.

For our purposes, a disabled person is defined as any person who:

- Has a physical or mental impairment that substantially limits one or more major life activities,
- Has a record of such an impairment, or
- Is regarded as having such an impairment

The Seward County Commissioners Vice-Chair, Darrell Miller, has been appointed to coordinate Section 504/ADA provisions. The Title VI Coordinator is also authorized to coordinate Section 504/ADA provisions.
